## RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

#### BUSBY'S MINSTRELS

Minstrelsy, au la circus style, delighted a large audience of Ogden people last evening, the event being the visit of J. M. Busby's big minstrel show under canvas. The show was given a most liberal patronage, which it merited in every sense of the word.

Mr. Busby has assembled a big company of colored people who are bubbling over with minstrel songs and music. The show carries its own band and orchestra, in addition to a large number of good singers and good dancers. The big minstrel forepart is of course the feature, but the olio is a program of specialties which are most entertaining. While many no doubt can not conceive of a staged production under canvas, they have but to witness a performance such as is given by the Busby Company to appreciate not only the possibility, but the high grade success which has been attained by this gentleman in his tented minstrel show.—Ogden Morning Examiner. Clayton, Wednesday October 6.

Visit the new store in the Gray-Easterwood building where you will find the best goods at the fairest prices. Weber & Sons.

#### Don't Invite Serious Sickness

"A stitch in time saves nine," is an old and trite saying, but it is nevertheless true. Common colds and a constipated condition are the foundation of much serious illness and dread disease that could be avoided if prompt attention were given to the first so-called slight ailment.

Every family can provide prompt treatment for these first attacks of ill health—and every family should be prepared for an emergency by having on hand that standard old family cough syrup, Foley's Honey and Tar Compound, for the relief of coughs, croup, whooping cough, irritated and inflamed throat, tight and sore chest, grippe and bronchial coughs.

Foley Cathartic Tablets are just the thing for constipation and sluggish bowel movement—a wholesome laxative and cleansing cathartic. They do not gripe or cause nausea or inconvenience and are particularly welcome to stout people.
